MSX International is a leading, global provider of technology-enabled business process outsourcing (BPO) services to automotive manufacturers. For more than 25 years, MSX International has worked closely with vehicle manufacturers around the world. MSX has decades of experience and more than 5000 industry experts in 80 countries.

We help our customers maximize value and achieve measurable success through an innovative portfolio of automotive business solutions and services.

We combine our deep industry expertise with cutting-edge technology solutions to help our automotive customers increase revenue and reduce cost, while enhancing operational efficiency and customer satisfaction.

At MSX, our goals are to help our customers reach their full potential and to excel as their global partner of choice.

Our company offers innovative business solutions across five areas of focus:

- ▶ Warranty and Technical
- ▶ Parts and Service
- ▶ Channel Management
- ▶ Fleet and Mobility
- ▶ Customer Engagement

Who we are looking for:

According to our ongoing "Talents Acquisition Program" we continuously recruit young and bright Graduates in Economics to be assigned to the Operational Marketing/Customer Care departments. We are strongly committed to talent management and development and look with interest at young degree students willing to start a challenging career path that, initiating with entry level jobs, can foster professional growth within our consultancy activities and services applied to the vehicle.

Duties and Responsibilities:

- Retaining and supporting the final customer;
- Interfacing with the automotive house and dealers, guaranteeing constant and accurate updating;
- Ongoing monitoring of assigned objectives;
- Taking required corrective and improvement actions agreed with the supervisor.

Requirements:

- Economics bachelor's degree;
- Interpersonal skills;
- Initiative and independence;
- Results orientation;
- Flexibility;
- Teamworking;
- High level of computer literacy, especially MS Office;
- Language skills: Italian; English;
- Previous experience in the marketing, business and/or customer care departments of multinational corporations.

Working pattern:

Rome;

What we offer:

We offer professional growth first. The compensation package will be discussed during the interview and related to the actual experience and skills gained.

How to apply:

If you are interested in this position, please copy the following landing page <https://careers.msxi.com/job/Roma-Neolaureati-in-Economia-RM-00148/604656900/> and paste it on your browser or surf our career site <https://careers.msxi.com/>

To finalize the application, you must register on the portal by filling the required fields and attaching your curriculum.

Only direct applications on the institutional website will be considered.
